

## **REVOLUTION RADIO**

on BlogTalkRadio, a new medium to reach the world with the Gospel of Jesus Christ

My name is Aimee Montgomery and I am the host of a live Internet broadcast show called "Revolution Radio" on BlogTalkRadio. My show brings minister's and believer's from around the world "on air" to talk about their ministries, vision, and testimonies for the glory of Jesus Christ. I believe that God is raising up a new spiritual generation, not defined by age, but identified by purpose. They are holding nothing back and taking ground for the Kingdom of God by force! This program features special guests from around the world who are stepping up into their purpose and calling, those who are impacting lives and nations, as well as those who have overcome in their lives through Jesus Christ. It is our hope that our listener's will all come to the saving knowledge of Jesus Christ, be empowered to take their relationship with the Lord to the next level and challenged to step out into their calling and purpose.

Having a ministry born out of revival, as an Apostolic Evangelist and Author, Aimee Montgomery's vision is to reach the world for Christ, to bring a revolution of knowing Jesus to the body and empower people to fulfill their purpose. Aimee moves in the gifts of the prophetic, healing as well as signs, wonders and miracles. To view her entire bio visit <http://aimeemontgomery.org>
