

## NEW WINE Revolution Magazine

Look for our third issue coming out in June 2011! This next issue will be focused on the topic of Intercession.

Featuring articles from ministers around the U.S. each bi-yearly issue focuses on one topic from a variety of viewpoints and perspectives. None of those who provide articles know what others are writing about and often you will find the Lord speaking in unity the same message in different ways through each one. Unscripted it allows what God is saying to come forth in writing. Available to anyone who has an internet connection this publication is designed to reach many around the world who would not otherwise have access to teaching that is provided due to lack of funds or technology

### Life Coaching

Often we are only one conversation away from our breakthrough! Maybe we are in need of revelation or information and just need to be led in the right direction.

Aimee has life long experience in life coaching! She has coached many into success and into their dreams, from a stay at home mom with no work experience getting her first job paying 35K to an engineer who was jobless and in fear of meeting his needs to fulfilling his dreams by becoming an Engineer working for NASA. She has coached many out of trauma, into hope and fulfilled dreams.

Due to her broad range of experience in the corporate world, ministry and also overcoming sickness and disability Aimee not only has head knowledge but heart knowledge. She understands what it is to want to achieve freedom, dreams, happiness and see healing in her life and not knowing how to get there. Through a series of events Aimee was led to the right people and the right revelation at the right time, she was healed and is now fulfilling her dreams! It may just be that she is the person that has the revelation you need to push you in the right direction.

## Partnering With AMM

**Reaching the world for Jesus Christ through the preaching of the Word accompanied with miracles, signs and wonders; mentoring and mobilizing a new generation to fulfill their purpose through intimacy with the Holy Spirit.**

Revolution Radio is only one component of what we do collectively as Aimee Montgomery Ministries. Even though this radio program is sent around the world reaching people who would not otherwise hear the gospel, we are much more than just our radio program. On a daily basis Aimee Montgomery Ministries is working hard developing our Missions Outreach program to go into the nations to spread the love and gospel of Jesus Christ. We are working on teaming with other ministries who visit garbage dumps and the forgotten around the world reaching the hurting and those in need with the love of Jesus and practical help. Aimee also spends much of her time ministering to those on the streets, on buses and meeting people where they are on a daily basis.

Through our radio program, future expansion of our media footprint into television and both local and international outreach, Aimee Montgomery affords our Partners the opportunity to be part of a growing ministry to impact the world where they are. Your financial support enables us to spread the love of Jesus Christ through sharing the Gospel, healing the sick, setting captives free, feeding and clothing those who are in need, and providing words of encouragement and love each day to people from all walks of life.

Your partnership also allows Aimee to continue to minister life changing messages, prophetic ministry, healing of the sick and setting free of those who are bound. At Aimee Montgomery Ministries, we minister to you through the Word of God and with the demonstration of power through the Holy Spirit.

When you partner with Aimee Montgomery Ministries you share in the reward and satisfaction of having carried out Matthew 25:35, 36: "For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me." (NIV)

As a Partner, you make a difference by enabling us to fulfill the Great Commission: to go out into the world and preach the Gospel to every creature. You take part in creating significant changes in the lives of countless others.

## Revolution Radio

God is raising up a new spiritual generation, not defined by age, but identified by purpose. They are holding nothing back and taking ground for the Kingdom of God by force!

This program features special guests from around the world who are stepping up into their purpose and calling, those who are changing lives and nations, as well as those who have overcome in their lives through Jesus Christ. It is our hope that you will be inspired to take your relationship with the Lord to the next level and to step out into your purpose and calling as well.

Currently Revolution Radio broadcasts every other Tuesday evening at 8PM PST. All shows are recorded and available to listen to for FREE online or through iTunes.

## Revolution Media

In June of 2011 we will be launching [www.revolutionmedia.tv](http://www.revolutionmedia.tv) which will start out as a 24/7 International Christian Radio Network. Featuring radio shows from a variety of ministries, Christian businesses and organizations to reach the world with the Gospel, empower, equip and train the saints, mentoring and mobilizing the body to fulfill all God has called them to do. To release the Word the Lord is speaking in this hour and to see the love of Christ demonstrated in homes across the world or where ever listeners tune in, through signs, wonders, miracles and teaching many how to know the Lord intimately and live righteously.

## Missions Outreach

Aimee Montgomery Ministries has partnered with a local missionary in Kenya to help find and rescue children who have been neglected and abused by their own families and the society they live in. These children live on the streets with no hope or future, feeling insignificant, burdensome and worthless. Gloria Calhoun, founder of New Territory Ministries, lives in Kenya fulltime and not only does she engulf the children with God's love but shows them how to receive and give love. In a family setting they meet their physical, emotional, educational, and spiritual needs. Together are raising up the next generation of Christian leaders in Kenya.

## Gloria's Kitchen and Carpenter's House

The latest project for these children will be Gloria's Kitchen, which is a hot meal feeding program. Currently they are only able to offer this hot meal one day a week to the street children and they serve over 100 kids. Their goal is to offer the hot meal everyday for breakfast and dinner. The second project that is currently under way is Carpenter's House, which is a nightly shelter for the street children which will provide them a safe and warm place to sleep at night. This is where your support is at work right now, helping to build a future in the lives of these little children. I do believe that your sowing into our ministry and into the lives of these children will return abundant blessings in your life. We will continue to offer updates on the projects as they progress and will be adding details on Gloria's ministry to our website soon.

**Future site of Gloria's Kitchen. This 67' x 200' piece of property was donated to New Territory Ministries by the City of Nairobi. It use to be a illegal dumping site. It has since been cleaned up and the sewer lines are being put in.**
